# What a Year it Has Been, what a Fair it Will Be

By **Matt Scharpe**

It's hard to believe that the 2019 Sibley County Fair is almost here. It has been a strange year so far. Bitter cold weather and snow made it seem like winter would never end. Then all of a sudden it warmed up and everything melted. Mother nature wasn't through with us though and she decided to make it rain, and rain and rain. Mother nature sure messed with us this year. For the Fair Board it has been a long year. Planning for the fair started the moment last year's fair concluded because we know there was a lot to do to make the 150th annual fair memorable. Despite all Mother Nature has thrown at us this year the fair will be here, and we will be ready.

What a fair this will be! The 150th annual Sibley County Fair will have something for everyone. The highlight of this year's fair will be the 9/11 Never Forget Mobile Exhibit. Be sure to visit the 1000 square foot exhibit that is a tribute to all who lost their lives on Sept. 11, 2001. There will be interactive education, artifacts, and guided tours by firefighters who were there. The exhibit will be on the fairgrounds Friday through Sunday.

Another new item is the TEC-KNO center. Everyone is welcome to come and check it out. There will be fun things to do for youth of all ages, including adults. Three virtual reality stations available where you can climb Mount Everest, ride a roller-coaster, go underwater scuba diving, or even walk on the

moon. If you're into the gaming, there will be PS4 tournaments. Youth can hang out with their friends in the mocking area, challenge them to a game of foosball, pool or a dance off. There is going to be something going on everyday Thursday through Saturday, located in the white building next to the 4-H food stand.

That is just what is new at the fair. There is something for everyone at the fair. If you like animals the barns will be full this year. Many of the animals will be brought by local 4-H members who have worked hard all year to get their animal's ready for the fair. Speaking of 4-H, be sure to check out the great projects and exhibits in the 4-H building at the west end of the fairgrounds. Stop by the ambassador booth and talk to the 4-H ambassadors about 4-H.

You're not going to want to miss the great free entertainment line up on the Heritage Stage and in the Entertainment Center. Sit down and relax in the Heritage Building and listen to music by George's Concertina Band or the Isaiah Muller Trio. Learn a little Minnesota History from Doug Ohman as he shares photos and stories from around the state. Kids can take a trip down the yellow brick road with the Oz Brothers. This year's evening entertainment kicks off with Chopper the World's Nuttiest DJ on Wednesday. The Full Throttle Band returns Thursday. Friday enjoy free sweet corn while listening to music by the Eddie Shimota Band, followed by Scarlet Sky. Be sure to stick around Fri-

day after the drawing as we will be celebrating our 150th fair with fireworks. Saturday South 40 will be on stage in the afternoon with Sell Out Stereo closing out the evening. Sunday Bill Litzau and Open Highway will close out the fair's entertainment lineup on Sunday.

Of course, the fair wouldn't be the fair without five nights of excitement in the Grandstand. It all starts with the Arlington Raceway Sibley County Stock Car Shootout Wednesday evening. One of the most exciting classes on the track-the IMCA Stock Cars will be featured along with IMCA Sportmods and IMCA Hobby Stock. Returning this year to the Grandstand on Thursday Night is the Truck and Tractor Pull featuring five classes of horsepower. The popular Night of Destruction is the featured event Friday evening, with Auto and Truck cross, Figure 8 Racing, Trailer, Bus and ATV races. Saturday night the Arlington Raceway Auto Races will have all their regular classes in action. Finally, no Fair

is complete without a Demolition Derby. Sunday at 1:30 p.m. the Sibley Slam Demolition Derby will be exciting with five classes of hard-hitting fun, and for the kids a Power Wheels Demo prior to the show. All evening events start at 7:00 p.m.

There is so much going on this year at the fair and what a fair it will be. Be sure to check out the entire fair schedule. We couldn't do this without the support of the area businesses. Their donations and assistance to the fair have helped make the 150th Sibley County Fair extra special. Be sure to stop by and say thank you for supporting the fair.

It has been a very busy year and I hope Mother Nature will be kind so we can celebrate this milestone. We hope you enjoy the fair. We may not be the biggest fair in Minnesota but we can proudly say we are The Best Little Fair Minnesota.

# Fair Memories

By Matt Scharpe

As we are about to celebrate the 150th Sibley County Fair, I started to think about what the fair is, the history that has taken place and the memories that are made. The fair has seen a lot through the past 150 years. Just think about how things have changed since the first fair. If the first fair was started to showcase agriculture in the area, did area residents bring their livestock, produce, baked goods, and other items to be judged? Was there new farm equipment displayed? What were those first fairs like? The grounds have sure changed a lot since then, buildings taken down, buildings added. The fair has grown. A picture of the ground in the fair office from (I believe) the 1950's shows a much different looking fair from the one today. So much has changed in the past 150 years but the one thing that will never change is the people who come to the fair and the memories they make.

Think about why you come to the fair. Is it to enter something in the horticulture building? Are you a 4-H family with dreams of getting a trip to the state fair? Do you come to see old friends? Is it for the food? Do you just have to get a rib sandwich, a pork chop, a piece of pie, cheese curds or a malt from the malt stand? I think everyone has their favorite must have food item at the fair. Or, do you just come because you have been coming to the fair for years? Your answers are probably the same as those who came to the fair and those who still come to the fair for the past 150 years. For myself the fair has been a part of life for as long as I can remember. My grandparents met at the Freeborn County Fair and were very active exhibiting and volunteering at the fair. I remember how excited my grandmother was when I told her I was on the

Fair Board. She handed me a stack of exhibitor handbooks from their fair. That's how it is with my family. The fair is part of our lives.

I have a lot of great memories of the fair and many firsts. Some say I don't have a very good memory but there are things and experiences that always stand out. My fair memories started, like many friends I know, through 4-H. I showed my first Holstein heifer at the fair. The fair was a lot different back then. We showed outside. There were bunks down the center of the cattle barn where we tied the cattle to. 4-H projects were in the white block building. So many things have been in the building since then, sheep and goats, draft horses, I even remember the malt stand being in that building. One of my first projects judged in that building was a display on fish identification.

Livestock, however, was a big part of my fair memories. That first heifer grew into a cow and I remember having to milk her at the fair in the building that stood almost in front of where the new cattle barn is. We had to borrow

an old milker and strap from my grandpa. Those who showed dairy back then know what I'm talking about. I showed a few more Holstein cows at the fair before moving on to showing beef. The fair and 4-H was a part of my life back then and, oh, the memories that were made. Sleeping in those bunks at the fair, getting accidentally sprayed in the wash rack while washing my animals. I don't know how much money I spent trying to win a pop by throwing a ball at a stack of bottles in an effort to knock them all down, I think it was the Seratoma who had that. I even, if you can believe it, was part of an Arts In performance at the fair where I sang and danced.

Even after I graduated and was done with 4-H, the fair was a big part of my life that I always came back to. I entered various items in the horticulture building, got a blue ribbon on my brownies a few times. My first taste of racing came at the fair when I entered the demolition derby and then the Enduro Race. Even when I was racing the fair seem to be the one race that stood out as the one race I really wanted to do well at. Not sure why because it was just

another race, but it was the fair. No matter where I went it seemed I always came back for the fair.

Now I am making memories with my kids. Watching them ride the rides, eating cobs of sweet corn, and playing with the goats when they were young. They are in 4-H now, showing animals, exhibiting their projects, making their own memories. So, some things change but, like staying up late to finish those fair projects, some thing may never change. Good or bad, happy or sad the fair has given me a lot of memories.

So, what is the fair really? Is it the fairground itself, the exhibitors, the vendors, the rides, the animals or the buildings? I think the fair is so much more than that. The fair is an experience, it's the memories you take with you. The fair will always change. It's different now than it was when I was young and I'm sure it will be different when my kids grow up. It has changed a lot since that first Fair 150 years ago, but the idea of the Fair will always be the same. It is a place where we gather to show off our hard work, compete, have fun, say hi to old friends and meet new ones.

Stop and think, what are some of your fair memories? What makes the fair so special? The county fair has stood the test of time. There is one in almost every county in the state. Each one is unique and has their own special thing, but the one thing that makes every County fair the same is the memories and experience those who go to the fair will receive. The fair brings people together in a way no other event in the area does. So, come out to the 150th annual Sibley County Fair and make some memories of your own.

**THE 911 NEVER FORGET MOBILE EXHIBIT**

Coming to the Sibley County Fair  
801 W. Chandler St., Arlington, MN 55307

**FRIDAY THROUGH SUNDAY, AUGUST 2-4, 2019**

The 911 Never Forget Mobile Exhibit is a tribute to all those who lost their lives on September 1, 2001, including, of course, the 343 members of the FDNY who made the ultimate sacrifice. The high-tech, 53-foot tractor-trailer, which transforms into a 1,000 square foot exhibit, is a tool to further educate citizens throughout the country about the events of that tragic day.

The Memorial provides interactive education; including artifacts such as steel beams from the towers, documentary videos, and recordings of first responder radio transmission. Interactive guided tours are carried out by FDNY Firefighters who provide firsthand accounts of the day and its aftermath.

## WHO CAN PARTICIPATE IN 4-H?

4-H serves youth in grades kindergarten through one year past high school from all backgrounds and interests. 4-H offers membership without regard to race, color, national origin, religion, gender, disability, or handicap. Those who are in kindergarten through grade 3 may participate through Cloverbuds.

## HOW CAN I PARTICIPATE IN 4-H?

Join a local 4-H club — 4-H clubs are groups of youth who meet regularly to work on 4-H projects, perform community service, develop leadership skills and learn to work together. Guided by one or more adult volunteers, a club can be any size, from a small group of neighborhood kids to a large group from a school or county.
